from The Crown of the Year by Austin Farrer, weekly paragraphs on the Holy Sacrament. Pentecost is not the feast of the Holy Ghost, it is the feast of his descent upon us. The Son of God came down and was made man in the womb of Mary. The Holy Ghost came down and was made human in the souls of Christians. When Jesus was ripe for birth, he left Mary's womb, to grow up and be himself. He outgrew first her womb and then her lap, first her protection, last her person and her mind. But as the Holy Ghost grows in us, it is not he but we who grow. He does not grow up and leave us behind, we grow up into him. He becomes the spring and substance of our mind and heart. He is the never failing fountain of which Jesus spoke to the Samaritaness. We break up the stony rubbish of our life again and again, to find and release the well of living water.
